Hi [REDACTED],

We mailed out the US Technology notifications to the federal agencies this morning. Being cautious, we also emailed the notifications, such as the one below.

I'm sorry that we neglected to bcc you and Mike on them.

Thanks so much for your help on this matter!!

Dear Mr. Correll:

In accordance with the U.S. Environmental Protection Agency's ("EPA") *Federal Hazardous Waste Generator Notification Policy*, please find attached a notification letter, informing you of an ongoing investigation and enforcement action of US Technology Corporation by EPA. The purpose of this notification is to assist your agency in making informed waste management decisions.

If you have any questions, please have someone on your staff contact Dominique Freyre in EPA's Federal Facilities Enforcement Office at (202)-564-0433.

Thank you.
